We, the Members of the Transport Workers Union of America Illinois/Indiana State Conference of Locals, representing thousands of working and retired Sister and Brother Members do hereby resolve and declare:

Our collective solidarity to our fellow TWU Members at American Airlines who have been promised an industry leading contract yet continue to remain without an agreement. All this while American Airlines corporate executives continue to see massive increases in their compensation since exiting bankruptcy. It is time for those now reluctant AA executives to fulfill their commitment to our TWU Members.

The Illinois/Indiana State Conference echoes the sentiments of TWU International President Harry Lombardo who has clearly stated, "We will unite, we will fight, and we WILL get the fair contracts we deserve."
